2011

Madrid Home Communities  
strive to follow Christ's example  
of humble service by offering  
each older adult served the choices  
and compassionate support they need  
in surroundings that feel like home.

## WHAT IS THE MISSION OF “FRIENDS OF MADRID HOME COMMUNITIES” ORGANIZATION?

The “Friends” organization (FMHC) seeks to support the mission of Madrid Home Communities, and to enrich the lives of residents both spiritually and emotionally.

FMHC seeks to provide a benefit to residents at all 3 campuses who receive any type of service and care offered by Madrid Home Communities.

FMHC recognizes the unique value and contribution of each member. Whether volunteering or offering financial support, we value the time, talent and generosity given that helps residents enjoy life more fully.

---

## WHO ARE THE FRIENDS OF MADRID HOME COMMUNITIES?

Anyone with an express interest in the mission of Madrid Home Communities and the welfare of the people served is considered a “Friend”.

They include, but are not limited to the following.

- Residents
- Volunteers
- Family Members
- Employees
- Community Members
- Donors
- Member Churches

## HOW DO I BECOME A MEMBER?

Your contribution of \$3 or more will identify you as an active member. Supporting memberships can be purchased from any Member Church’s Madrid Home Communities delegate. They may also be purchased from FMHC Coordinator, Angie Gurius or at the Madrid Home Reception Desk.

---

## HOW ARE FUNDS RAISED BY THE FRIENDS USED?

Each year FMHC identifies a special project to work towards. The project selected is intended to enhance the life of residents, but is not a regularly budgeted item. In addition to the fund raising events, often volunteer help is needed to accomplish the project. 100% of all money raised by FMHC goes towards this project.

---

## WHAT IS THE FMHC PROJECT FOR 2011?

In 2011, FMHC will continue to work towards enhancing the outdoor areas for residents use. Plans include a walking path around the Madrid Home as well as additional seating and landscaping at all 3 campuses. Having interesting and accessible outdoor spaces will give residents the opportunity to take advantage of the many health and emotional benefits of spending time outside.

---

## WHERE CAN I GET MORE INFORMATION?

Inquiries from individuals and community groups are always welcome. Please contact Angie Gurius, FMHC Coordinator at 515-795-3007, or email [agurius@madridhome.com](mailto:agurius@madridhome.com).
